INBOUND AND OUTBOUND TRAFFIC SCHEDULES are the responsibility of Genesis Exposition Services, the Official Drayage Contractor. To assure orderly and expeditious handling of exhibit material into and out of the event facility, it is required that exhibitors, including local companies, clear all movement of exhibit material through the Drayage Contractor, who is prepared to handle local pickups and deliveries on a co-ordinated schedule. It is also recommended that in order to minimize congestion and comply with union requirements all shipments be channeled through the Official Drayage Contractor.

OUTBOUND SHIPPING INSTRUCTIONS should be given to Genesis Exposition Services at the Service desk during the Exposition or immediately after its close. If outbound shipping information is available prior to show commencement, forward instructions to Genesis Exposition Services. All bills of lading and shipping instructions covering out-bound shipments will be checked at the time of actual loading and corrections made where discrepancies exist. Freight remaining on the exhibit floor without proper instructions for disposition will be removed by the Drayage Contractor and shipped with the information available at the time. Under no circumstances will the Drayage Contractor be liable for shipping errors subsequent to the convention unless it has received specific written instructions and has failed to honor them.

DAMAGE TO EXHIBITS while they are being loaded, unloaded or conveyed to the various booths or common carrier by the Drayage Contractor will be its responsibility. The Drayage Contractor WILL NOT be responsible for damage to materials improperly packed, concealed damage, loss or theft of exhibitor's materials after same have been delivered to the booth, or before materials have been picked up for loading out of the booth. In any case, the liability of the Drayage Contractor is limited to \$.10 per pound/per article, with a maximum of \$ 50.00 per item, and a maximum of \$ 1,000.00 per shipment. The shipper is encouraged to make arrangements with its insurance carrier if values of articles or shipments are in excess of those stated above.

EXHIBITS LOSS OR DISAPPEARANCE Genesis Exposition Services and its subcontractors are not, and cannot be, responsible for loss or disappearance of the material of the exhibitor after such material has been delivered to the Exhibitor's booth. Relative to inbound shipments, there may be a lapse of time between the delivery of shipment(s) to the applicable booth by Genesis Exposition Services or its subcontractors, and the arrival of Exhibitor's representative at the booth. During such time the shipment(s) will be left unattended in the booth. Genesis Exposition Services and its subcontractors shall not be responsible for any loss or damage that may occur during such period.

Similarly, Genesis Exposition Services Company and its subcontractors cannot be responsible for loss or disappearance of Exhibitor's material before Exhibitor's material is picked up from the Exhibitor's booth for loading after the exhibition. All bills of lading covering outgoing shipments that are given to Genesis Exposition Services by the Exhibitor will be checked at the time of pick-up from the booth, and corrections will be made at such time if discrepancies exist. Relative to outgoing shipments, it is possible that there will be a lapse of time between the completion of the packing and the pick up of material from the booths for loading onto a carrier, and during such time the shipment(s) will be left unattended in the booth. Genesis Exposition Services and its subcontractors shall not be responsible of any loss or damage that may occur during such period. Genesis Exposition Services and its subcontractors will adjust the quantities of items on any bill of lading submitted to Genesis Exposition Services or its subcontractors to conform to the actual count of such items in the booth at the time of pick-up and shipment.

DISPUTES In the event of any dispute between an Exhibitor and Genesis Exposition Services relative to any loss of or damage to such Exhibitor's material, such Exhibitor shall not be entitled to and shall not withhold payment of any amount due to Genesis Exposition Services for any services provided by Genesis Exposition Services as any offset against the amount of any alleged loss or damage. Instead, such Exhibitor shall pay Genesis Exposition Services within thirty days from the close of the exhibition to which Exhibitor's shipment(s) relates for all service, and such Exhibitor shall pursue any claim against Genesis Exposition Services independently as a completely separate transaction to be resolved on its own merits. No claims for loss or damage will be considered until payment in full for all services performed by Genesis Exposition Services has been received.

INSURANCE Exhibitors are urged to carry all-risk floater insurance covering their materials against damage, loss, theft and all hazards from the time shipment is made prior to the show until shipments are returned after the show.
